These trail descriptions will take you through most of the trails and roads around Stoneman Lake. A cyclocomputer may help you avoid getting lost or finding your way back to the major roads.

Gash Mountain Cruise
(very, pretty ride that can be took up in 3 hours or less)

6.1 Trail splits to the left. Continue straight ahead. Pass over a cattle guard. The first trail split goes to a campground and dead-end. The far left trail continues east. The main road continues north to the major trail. A faint narrow path on the left dead-ends at a campsite. This is the long way. Roll the three rocks, and then a rocky climb, out of the way.

6.2 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.3 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.4 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.5 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.6 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.7 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.8 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.9 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.10 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.11 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.12 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.13 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.14 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.15 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.16 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.17 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

Jones Mountain Adventure
(Bike technical and ardently challenging ride that can take four or more hours)

6.0 From the Lodge, head west on the road up to FSR230F. Alternately, take the singletrack that loops the way around the lake (2 mile trail). Continue ahead (0.3 miles) FSR665 splits to the left. Continue straight ahead, to the right, FSR230F. The main road. Turn left onto FS948, and head south. Continue ahead (0.2 miles) to the left, straight on the main trail.

6.1 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.2 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.3 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.4 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.5 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.6 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.7 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.8 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.9 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.10 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.11 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.12 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.13 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.14 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.15 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.16 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.17 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.18 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.19 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.20 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.21 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.22 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.23 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.24 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.25 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.26 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.27 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.28 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.29 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.30 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.31 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.32 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.33 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.34 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.35 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.36 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.37 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.38 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.39 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.40 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.

6.41 Trail splits to the left. Continue straight ahead. Stick to the left, westward, and then a rocky climb, out of the way.

6.42 Trail splits to the right. Continue straight ahead. Stick to the right, eastward, and then a rocky climb, out of the way.
